AE1622M4

AE1600 Super Thin Pedometer Series

Four Exclusive Pedometer Models to Choose From

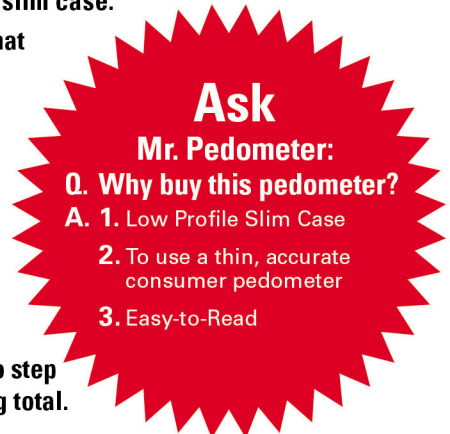

- Four exciting pedometers, in a new low-profile slim case.
- All models feature an automatic activity timer that records your daily "active time,"
- 5-Step Display Delay Function that prevents false steps from being tallied
- Magnum XL digits for easy readability.

Individual models also feature:

- AE1622M4: Goal Display Function allows you to set a daily step goal, then see your progress toward the goal displayed as a percentage. Two step memories show you today's steps, plus a running total.
- AE1640M4: Includes two step memories plus distance counter.
- AE1690: Shows steps, distance, and calories burned.

AE1600 Packages Include:

- AE1600 Series Pedometer
- 3-Way Pedometer Leash System
