## AE100XL/GM Enhanced DigiWalkerXL Pedometer Series

### Featuring the JW200 PedometerEngine™—Tested “Most Accurate” Generation III AE100XL/GM Series

- Since 1983, ACCUSPLIT has worked with the Kato family of Japan to develop pedometer technology such as the JW200 (DigiWalkerXL) PedometerEngine™ step sensor.
- ACCUSPLIT's AE100XL/GM Series gives you the JW200 step sensor you know and trust, but with many new features and improvements!
- The features include Extra Large display digits, a steel clip, and a super-tough polycarbonate case with integrated leash slots
- We've also added exciting functions, such as Memory, Goal Tracking, and an Automatic Activity Timer.
- Some models include Distance, Calorie and Step Filter (0-5) functions
- Comes with our 5-Year DUAL No-Proof and Proof of Purchase Limited Warranty.
